## TRIP SCHEDULE

Kayaking is the ideal way to discover the richness and diversity of Guiana's marine fauna and flora.

We offer you a 2-hour kayaking trip to the Ilets Dupont, sea islets positioned less than a half-mile off the beach of Cayenne's *Grand Hotel de Montabo*.

This site is perfect for the observation of sea turtles and dolphins—always there to swim along visitors.

Refreshments will also be supplied (non-alcoholic drinks).

### **MEETING POINT**

Departure from "Mont-Joyeux Les Vagues" beach (right below the parking lot of the *Le Panoramique* restaurant)

Launch time will depend on the tide: between 8.30am and 11 in the morning or between 3pm and 5.30 in the afternoon.

### **Important:**

A min. of 4 adult participants is required to book this trip (max. 14 participants).

If you're not an experienced practitioner of sea kayaking or simply wish to enjoy the site with full safety, we can offer supervision by a fully-trained guide. Presence of a guide also allows for longer, farther seafaring in addition to the standard tour (available on request).

### **What you need for your trip:**

Light clothing - swimming trunks/swimsuit – sun hat or cap – rucksack – full water flask – sun cream – camera and binoculars.
