## SCHEDULE

Nature wild and powerful—more than 450 animal species are represented at the "Zoo de Guyane" where you can discover them along a tour lasting up to two and a half hours; this tour includes a number of special activities and facilities: educational tracks with audio guides (available in French, English and Portuguese), a tropical greenhouse, a play area for children, a mini-farm, a restaurant, a bar and - of course - a zoo boutique selling souvenirs and local crafts.

The zoo concept is divided into 2 specific areas:

### Zoological Park

Where you'll meet face to face with Guiana's fauna—the most diversified in the world. You'll get acquainted with snakes, caimans, parrots, monkeys—but also eagles and the mighty jaguar!

### Forest Canopy

Where you can observe the tropical forest and its denizens in their natural environment from the top of the trees—at ca. 98 feet above ground!

Even a minimal tour will take about 2 hours.
